

# Incubator Open Call

Riyadat x Tamkeen

About Riyadat Mall

**Riyadat Mall is a creative hub for entrepreneurs, where like-minded individuals across diverse industries come together in one inspiring space to create, innovate and thrive together.**

Riyadat Mall, which is located in the prime residential area of A'ali, started as a women-focused incubator development program established jointly by the Supreme Council for Women (SCW) and Bahrain Development Bank (BDB). Today, the mall continues to be an economic host that provides business opportunities for women to establish small or medium enterprises and also offers a commercial retail and F&B component along with other services that add value and serve the catchment area.
